CC:
National Crime Victims' Rights Week, April 18-24, 2010

Whereas, 21 million Americans suffer the indignity of crime each year, experiencing emotional physical, psychological, and financial harm as a result;

Whereas, 25 years ago, the President's Task force on Victims of Crime drew attention to the poor treatment of victims in the criminal justice system, resulting in the creation of victims' rights laws in every state, promoting the ideals of fairness, dignity and respect for victims of crime;

Whereas, treating victims with dignity serves the public interest by validating community concern for victims' rights;

Whereas, Glenn County served over 380 new victims of crime in 2009 and was reimbursed over $200,000 in restitution;

Whereas, agencies that provide services to victims of crime must work together to ensure fair treatment for victims, to enforce collection of restitution from offenders, and to notify victims of their right to compensation and services;

Whereas, National Crime Victims' Rights week provides an opportunity for the county to increase awareness of the toll that crime takes on both victims and the community;

Whereas, the Glenn County Human Resource Agency is joining forces with victim service programs, criminal justice officials, and concerned citizens throughout the county to promote the need for victims rights and to officially observe National Crime Victims' Rights week of April 18th through 24th, 2010.

Now therefore, we, the Board of Supervisors of the County of Glenn, do hereby proclaim the week of April 18-24, 2010 as Crime Victims' Rights week, and reaffirm the county's commitment to respect the rights of victims and address their needs during this week and throughout the year.
